

CITY OF CHEHALIS SUPPLEMENTAL QUESTIONS FOR POSITION OF FIRE CHIEF

As part of the application process, please provide responses to the following questions so that we can learn more about you as well as get a sense of your writing and management styles. **Please limit your response to each question to no more than a single typed page.**

1. What steps have you taken during the course of your career to develop both your technical and management skills? How does this prepare you for the position of Chehalis Fire Chief?
2. How would someone working for you describe your leadership style?
3. Give an example of a situation where you brought people from different groups or organizations together to work on an issue or project.
4. What experience do you have in developing budgets, programs and plans?
